Do You Watch or Play?

Students with parents help: Look at the sports above and practice saying the words in Chinese. Draw a line from the sport to the word “打/踢” or “看” depending on whether you watch it or play it. Ask another person which sport he/she watches or plays and practice saying the sentence. For example:

wǒ dǎ lán qiú  
我打篮球。 I play basketball.

wǒ kàn bàng qiú  
我看棒球。 I watch baseball.

tā tā tī zú qiú  
他/她踢足球。 He/she plays soccer.

tā tā kàn bàng qiú  
他/她看棒球。 He/she watches basketball.

wǒ dǎ bàng qiú  
我打棒球。 I play baseball.
