**¿Usted Mira o Juega?
Do You Watch or Play?**

Students with parents help: Look at the sports above and practice saying the words in Spanish. Draw a line from the sport to the word “Jugar” or “Mirar” depending on whether you watch it or play it. Ask another person which sport he/she watches or plays and practice saying the sentence. For example:

Yo juego baloncesto.

I play basketball.

Yo miro béisbol.

I watch baseball.

El/ella juega fútbol.

He/she plays soccer.

El/ella mira baloncesto.

He/she watches basketball.

Yo juego béisbol.

I play baseball.
