数一数

Let's count

Students: Look at the pictures of above and practice saying the vocabulary words in Chinese. Now, practice counting by counting the petals on the flowers and legs on the insects. For example:

huā yǒu wǔ piàn huā bàn  
花有五片花瓣。

The flower has five petals.

zhè shì sān duǒ huā  
这是三朵花。

There are three flowers.

mǎ yǐ yǒu liù tiáo tuǐ  
蚂蚁有六条腿。

The ant has six legs.

zhī zhū yǒu bā tiáo tuǐ  
蜘蛛有八条腿。

The spider has eight legs.
