

La Primavera—Semana 2
Springtime—Week 2

las flores
flowers

la hormiga
ant

la araña
spider

At Home...En Casa

Contamos
Let's count

Students: Look at the pictures above and practice saying the vocabulary words in Spanish. Now, practice counting by counting the petals on the flowers and legs on the insects. For example:

La flor tiene cinco pétalos.

The flower has five petals.

Hay tres flores.

There are three flowers.

La hormiga tiene seis patas.

The ant has six legs.

La araña tiene ocho patas.

The spider has eight legs.
