¿Quiénes son mis amigos ? Who are my friends?

Students: Think about your friends and write down their names in the list above. Use another sheet of paper if you have more than 10 friends. Practice counting them in Spanish. Visit <http://www.funwithforeignlanguage.com/current-families/activity-sheets/towson-spanish-activity-sheets/> for practice counting. Now practice telling someone in your family about your friends. For example:

Mis amigos se llaman:

<say names here>

Yo tengo <say number here> amigos.

My friends' names are:

<say names here>

I have <say number here> friends.

Now choose the sentence that corresponds to you:

Yo tengo muchos amigos.

I have many friends.

Yo tengo poquitos amigos.

I have few friends.
