## ¿Cómo se Ven Mis Amigos ? What Do My Friends Look Like?

**Students:** Think about the friends you talked about in last week's activity sheet. Now describe their hair and eyes using the vocabulary above. Choose 1 of the hair sentences below for each friend then move on to eyes. For example:

<say friend's name> tiene pelo corto. <say friend's name> has short hair.

<say friend's name> tiene pelo largo. <say friend's name> has long hair.

Choose 1 of the eye sentences below that refers to friend above (to see this sheet in color, via from the FwFL website):

El/Ella tiene ojos azules.

He/she has blue eyes.

El/Ella tiene ojos verdes.

He/she has green eyes.

El/ella tiene ojos cafés.

He/she has brown eyes.

Look at the kids above and practice describing their hair and decide if they have blue, green, or brown eyes. Practice the words/sentences in Spanish. Use the sentences above to practice.
