What do you have in your backpack?

Students: Cut out the pictures above of items we find in a classroom. Grab a backpack or a bag and play a game of putting the photos of the items inside your backpack and telling a family member what you have in your backpack. Practice saying these sentences in Spanish while you play. If you have the actual items, great use them!

Yo tengo crayones.

Yo tengo tijeras.

Yo tengo papel.

I have crayons.

I have scissors.

I have paper.
